- 
1. I will never understand why he does such things. Maybe someday he will change.
  2. For a child her age, she's certainly very intelligent.
  3. Have you ever seen anything like that before? My grandfather used to tell me that things like that existed, but I never believed him.
  4. — That new Spanish teacher is really mean, don't you think?  
— No, she doesn't mean to be mean; she just wants us to understand that she means business when class is in session, that's all.
  5. These exams are getting easier and easier. The only thing about them is that they are so hard to pass. I believe this time I won't make a single mistake.
  6. — Is there anyone around here who speaks Norwegian, French, and Greek?  
— No, there's no one here who speaks more than two languages.
  7. When I was a little girl, my brothers and I would visit my grandmother and sit around drinking milk, while she baked us chocolate cookies. They were delicious!
  8. — If I paid your expenses, would you go to the moon?  
— I wouldn't go to the moon for anything in the world.
  9. — Tell your friend that my friend is crazy about her, but he is too timid to tell her.  
— If your friend goes near my friend, he's going to have to deal with me!
